Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I vehemently OPPOSE your recommendation to abolish the Licensed Breeders Program! Why in the world would you allow unethical and cruel breeders to flourish? Have you no ethics, morals, and most of all consciences? Utterly disgusting.

Any Alternative or New Recommendations on This Agency: I demand that only licensed breeders be allowed to breed animals for sale, and that they are regularly subjected to unannounced investigations by a regulatory body. If there is no such entity, one must be formed in order to enforce ethical, cruelty-free breeding.
