Your Comments About the Staff Report, Including Recommendations Supported or Opposed: My wife and I have been in battle with the Department of Family and Protective Services Childcare Licensing Division particularly the Southwest District headed by Adrienne Driggers. We have created a petition on [change.org](http://change.org) and have created a blog detailing some of the abuse of power. I am including the web address of the blog. It is not a sham, scam, or a virus. It is the real deal and deserves your absolute attention. Please look at our blog at <http://darksideofchildcare.blogspot.com/>

Any Alternative or New Recommendations on This Agency: The Department of Family and Protective Services Childcare Licensing Division deserves a complete reorganization. Our blog will provide plenty of information and documentation to prove that it is being operated in the most corrupt way.

Innocent people are being harmed and the safety and well-being of children are being compromised. Our blog contains information and documentation to prove that what I am stating is true. Please look at our blog.
