Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I'm oppose to this proposal, first it's devaluing us as licensed personnel and the industry in a whole. There must be standards, you guys are trying to take that from us. The reason to be proud of our accomplishments are being downgraded. I have 3 license and very darn proud of them. To just throw students in a school then they pick what license they want to choose, it have no direction of who that person want to become. Put the boards together but leave each entity to itself. As far as licensed instructors, does that even make sense. There definitely will be no standards nor respect. Schools will pop up everywhere, students will be rushed through with no expectations, guidance, respect or esteem. I have always loved this industry and for the life of me why are you guys trying to change it. Keep cosmetology how it is, keep barbering as it is and keep instructors. This industry will go lacking.

Any Alternative or New Recommendations on This Agency: Fix the boards.
