Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I'm highly against this. We deal with highly dangerous chemicals and tools that can cut someone's ear. I think it is VERY important that we have regulations and we have schooling for jobs like this. You wouldn't want to give free will for anyone to be a nurse without proper training.

Any Alternative or New Recommendations on This Agency: I believe that there aren't enough hours to train everything. I feel like 1500 hours, which is the amount of hours I completed, is enough for someone to learn how to properly master everything that you learn.

My Comment Will Be Made Public: I agree
