Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I agree with adding psychological interns to reimbursement, but only if interns from other disciplines such as LMFT, LPC and LCSW are included. Additionally all fully licensed providers should be reimbursed at the same rate. LPC, LMFT and LCSW are independent practitioners and should be reimbursed at 100%, not 70%.

Any Alternative or New Recommendations on This Agency: Reimburse interns from all disciplines. Reimburse all independent practitioners at 100%.

My Comment Will Be Made Public: I agree
