Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I opposed the recommendation to abolish The Licensed Breeders Program.

As an employee at an animal shelter I am very aware of the suffering endured by puppy mill bred animals. Animal shelters are full of unwanted store bought animals. Please do not abolish the program.

Any Alternative or New Recommendations on This Agency: Some breeders may be responsible but this Licensed Breeders Program is here to address the other thousands of breeders that are not responsible and that do not have any concerns whatsoever over the health and well being of the animals they breed and sell.
