Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please stop trying to regulate and industry you know nothing about. This industry needs qualified and experienced teachers who will educate these students correctly! Our certifications and scopes of practice are an absolute need for this industry. Stop playing politics and let us do what we need to do!!!!

Any Alternative or New Recommendations on This Agency: My new recommendation is for you to put people in this or any other CTE based profession on the committee. Maybe then our voices will be heard.

My Comment Will Be Made Public: I agree
