Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am writing to OPPOSE the recommendation to abolish the Licensed Breeders Program. The animals need to be protected from harm by backyard breeders and puppy mills which cause great suffering. There are already too many animals that need loving homes and too much needless killing of unwanted animals.

Any Alternative or New Recommendations on This Agency: Protect the requirement of licensing and regulations of would be breeders.

My Comment Will Be Made Public: I agree
