Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the recommendation to reduce the number of dentist on the State Dental Board. Dentists commit their life to dentistry and the people they serve. Lay persons and hygienist are still necessary to provide new perspectives at times but understand the profession from beginning to end is the only achieved in four years of dental school.

Any Alternative or New Recommendations on This Agency: Keep the current number of representation on the state dental board. 3 year term limits for all board members

My Comment Will Be Made Public: I agree
