Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Not a day goes by that i don't see a stray dog out roaming the streets , with shelters full and not enough funding why would letting "puppy mills" operate make much sense? As a disabled veteran my dog's are my companions and my therapy and it sickens me when i see animals treated this way. When it comes down to it this is all about greed !

Any Alternative or New Recommendations on This Agency: N/a
