Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not allow our licensing board (Social a Work) be consolidated with other licensing boards. Our profession is unique with unique issues that can only be understood and solved by social work professionals. I am very concerned about the impact having one regulatory board for all licensing will have not only on social workers but the fragile populations we serve. Claydeen Harrell, LCSW

Any Alternative or New Recommendations on This Agency: Please keep our social work board as it is .
