Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Good Afternoon, My name is Sara Hayward and I am a physical therapy student at the University of Mary Hardin Baylor Doctor of Physical Therapy Program and will be graduating in 2017. As a student about to enter the field, I fully support the Sunset Commission's recommendation to join the National Licensure Compact. By joining this compact it would allow PT's and PTA's the ability to move and not have to be concerned with having to get relicensed. I would like to oppose the recommendation to strip the CCAP program from the TPTA and the TBPTE as well as to oppose the ability to the TBPTE in engaging in any future arrangements. TEH CCAP provide safety to the public.

Any Alternative or New Recommendations on This Agency: None
