Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

· Texas Administrative Code, Title 43, Part 10, Chapter 217, Subchapter A.
Rule 217.3

(B) Vehicles designed or determined by the department to be a Dune Buggy.

The dune buggy is not eligible for title because some person in the TDMV said so. This is a broad problem for the many in Texas who own a "DUNE BYGGY."

Safety?..Owners want and encourage a safe vehicle. We are willing to submit our vehicles to any safety test required to be road worthy.

Any Alternative or New Recommendations on This Agency: Consider making it legal to operate a safe vehicle by re-wording the Texas Administrative Code to allow the Dune Buggy owners to operate their vehicles on a public road.
