Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I think we should keep the LMRT program, am getting alot of knowledge here then I would be at Austin community college program. It is helping me to go in to my career in the medical field. Am a veteran and cause of my disability certain job I can't do and I finally found a program that like to do in life and succeed in. The program has help out of people in life and me.

Any Alternative or New Recommendations on This Agency: Get rid of the NCT and the temporary license
