Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I am an LMRT student and I am opposed to the recommendation listed under Issue 3 to abolish the LMRT certification. This program has given the opportunity to return to school and have a well paying career and provide for my family without having to wait 4 years for a degree.

Any Alternative or New Recommendations on This Agency: If any program were to be eliminated I think it should be the NCT program since they do not have nearly as much training as LMRT and therefor are not as qualified.

My Comment Will Be Made Public: I agree
