Organization you are affiliated with: Texas Department of Criminal Justice

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I feel the Staff Report has been mostly thorough, but hoped to see more about the type of insurance coverage that is offered through ERS - most importantly coverage for infertile couples.

Any Alternative or New Recommendations on This Agency: I believe a more expansive insurance coverage should be offered that covers infertility. This would allow couples the ability to have some sort of assistance instead of going into debt to attempt to have a family. No one chooses infertility, so insurance shouldn't have the option to dis-include fertility services that are necessary.

My Comment Will Be Made Public: I agree
