Hello,

I am a Doctor of Physical Therapy working at a private outpatient clinic in the the north Houston area for the past 3 years.

I would like to express my opinion on how the TBPTE should not join the TDLR.

The TDLR in no way has the qualified individuals to make decisions based on an injured patient's medical care.

The TBPTE allows for a cost effective and efficient agency to manage the appropriate standard for patient care.

I hope the TBPTE will continue to function as an independent state agency. Please feel free to contact me if I can assist in any way possible.

Regards,

Stephen Hollek PT, DPT
