Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I Oppose the recommendation to abolish the Texas Licensed Breeders Program. We should continually be moving forward as a society. This recommendation takes us backwards. The existing program needs some updates, but must be maintained.

Any Alternative or New Recommendations on This Agency: Texas Licensed Breeders Program needs to be updated by firstly reducing the number of breeding females from the current 11, down to 5.

My Comment Will Be Made Public: I agree
