Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The AuSSLC is a great community and an amazing home to many residents. I am in full support of this center, the staff, and the sense of community present. Many of the residents cherish this place and the staff members work incredibly hard to provide quality care. I believe that closing the AuSSLC would be harmful to this community and ripping the residents apart and bring detriment to their lives.

Any Alternative or New Recommendations on This Agency: I believe that the AuSSLC should remain open to preserve the integrity and community of the people who live there.

My Comment Will Be Made Public: I agree
