Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Proposed changes to the motorcycle safety program (pg 57). The program is funded my motorcyclist when they renew their license with the M endorsement. The Program needs knowledgeable oversight and a constant communication with the Motorcycle Safety Foundation, an internationally endorsed organization. Curriculum purity needs to be preserved as well as instructor oversight and quality assurance efforts. I am opposed to all of the commission's recommendations.

Any Alternative or New Recommendations on This Agency: Let the DPS Motorcycle Safety Unit continue to do what they've been doing well.

My Comment Will Be Made Public: I agree
