Subject: Consolidation the PT Licensure Board into TDLR

To whom it may concern,

I am a Texas doctoral level Physical Therapist who does not support the plan to consolidate the PT Licensure Board into TDLR. During my 17 years as a licensed Physical Therapist in Texas, I have always found the PT Licensure Board to be responsive and supportive while always striving to ensure and promoted the highest levels of quality and integrity of physical therapy throughout the state of Texas. I strongly feel the PT Licensure Board has the expertise and advanced knowledge level needed to successfully support my profession, while the TDLR does not. Continuing with the independent PT Licensure Board for the next 12 years is in the best interest and safety of our Texas citizens.

Thank you for allowing me to present my concerns,
