Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have been a CVSO for 4 years and I am not accredited so I have always had to depend on help from someone. At my first conference I made friends with some CVSO's from another county and they have been my go to every since. You can't replace personal relationships with a computer and it is always good to get out of the office and share your problems and successes with others.I am totally against cutting out the conferences.

Any Alternative or New Recommendations on This Agency: If cost is the issue then the counties might pickup some of the costs.

My Comment Will Be Made Public: I agree
