Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Put out a proper report. Explain why the TSBPE has been underfunded. Show how the board can be ran when it is funded properly. Explain how proper funding will provide sufficient staff and resources for the board to function as designed.

Any Alternative or New Recommendations on This Agency: Keep the TSBPE! Give them the assets needed to go after unqualified and unlicensed people who are endangering the public. Remove board members who do not have any background in plumbing. Remove the special interest members of the board. The TSBPE should be ran by licensed plumbers!

My Comment Will Be Made Public: I agree
