Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

- I do NOT agree with removing instructor licenses in Cosmetology or Barbering.
- I DO NOT agree with combining Cosmetology and Barbering into one but I do agree that regulations need to be more equal especially in regards to sanitation.

Any Alternative or New Recommendations on This Agency:

- In order to be an effective instructor in a classroom setting the extra training is crucial. I believe that an apprenticeship program much like is in place in Louisiana would be very beneficial for Texas.
- Sanitation education is critical, make this part the same across the board. Add, at the very least, sanitation CE requirements the same for both cosmo & barbers.
