Subject: Recommendation 3.2

To whom it may concern:

As a LPC, I am opposed to recommendation 3.2 to transfer the Texas State Board of Examiners to the Texas Department of Licensing and Regulation and to reconstitute the independent board as an advisory board. This change would weaken our profession along with Social Workers and Family and Marriage Counselors. Our high standards need to be maintained and overseen by the Texas State Board of Examiners. Please do not lump us with those professions who are not required to hold advanced degrees.

Thank you for your consideration of this request.
Sincerely,
Julia Gilbert, M.Ed., L.P.C.
