Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I greatly oppose the disbanding of the Dyslexia Therapist Licensing.

Our organization has been through many years of trials and tribulations on the road to establishing the licensing process. I think we are finally on the road to the clout we need to show the importance of highly trained therapists in the classroom teaching the most at-risk students. Without trained therapist and the licensing process, school will return to putting dyslexic students in front of a computer as their therapy or declare very smart dyslexic students as Special Ed. students and do no therapy at all!!!

I am very apposed to disbanding the licensing of dyslexia therapists.

Any Alternative or New Recommendations on This Agency: Continue license of Dyslexia Therapists and Practitioners

My Comment Will Be Made Public: I agree
