Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a U.I.L. Legislative Council Representative, I am in complete agreement with the response made by Dr. Charles Breithaupt to the Sunset Review Report of the University Interscholastic League. The U.I.L. has over the years done an amazing job of utilizing school superintendents to self-police extra-curricular and co-curricular programs in Texas public schools. With the advent of including some private schools, charter schools and magnet schools this has become more difficult, but the process is still working effectively. The recommendations made by the Sunset Review Committee should make the process even better. Thank you for doing the review in a fair and balanced manner.

Any Alternative or New Recommendations on This Agency: This agency (U.I.L.) has served public schools in Texas well over the years and should be commended for their contribution in developing future leaders in our state. We are the envy of other states in our country in regard to the U.I.L.

My Comment Will Be Made Public: I agree
