Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I strongly apposed the idea of taking away Barber and Cosmetology Instructor License. My License is very important and it allows me to educate students in getting their Cosmetology Operator License and understanding how to practice all Safety and Sanitation in the schools and the Salons.

Any Alternative or New Recommendations on This Agency: Please stop with the Cosmetology and Barbers industry. We are following all Rules and Laws that have been set by TDLR

My Comment Will Be Made Public: I agree
