Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose abolishing the licensed breeders. I have had several dogs that are sickly and in poor condition from so called breeders. I've seen how horrible conditions can be for these animals. It is inhumane to handle things like people did in history. We should have learned from past mistakes not continue them!

Any Alternative or New Recommendations on This Agency: All breeders should have a license and be regularly inspected and held responsible for their actions. There should be strict rules for breeders.

My Comment Will Be Made Public: I agree
