Your Comments About the Staff Report, Including Recommendations Supported or Opposed: In regards to the consideration of the sunset rule for the polygraph, I think it would be a terrible mistake. There are much too much training, technology, and skill acquisition to just open the door to anyone. Oversight in this profession is greatly needed, otherwise, you representing us the examiner will finish what Senator Kennedy attempted many years ago.
MAINTAIN OVERSIGHT.

Any Alternative or New Recommendations on This Agency: NA

My Comment Will Be Made Public: I agree
