Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Eliminating the Instructor program would be an injustice to Cosmetology students. Just like you need Teachers and Professors in Schools and Colleges/Universities, you need them in the Cosmetology Program. Eliminating Instructors would be saying that you do not think our Cosmetology students deserve to be taught by a Teacher/Instructor that has been trained on the proper techniques to teach different types of learners.

Any Alternative or New Recommendations on This Agency:

Keep the Instructor Licensed.

Allow Nail Techs to be able to take the written test at 500 hours and then do the practical at 600.

Create a position on the Board for a Licensed Nail Tech.
