Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Do not combine the cosmetology and barber program. Keep the program as is and do not decrease the hours needee to obtain the licenses. Do not get rid of the instructor's program. We have gone through the proper training to become a master at our craft and to keep clients safe while receiving services. Instructors are people who have been properly trained to educate up and coming cosmetologists, barber and estheticians. Taking these away would put the public at risk.

Any Alternative or New Recommendations on This Agency: Reinstate the original 1500 hours required to receive the license
