Agency: UNIVERSITY INTERSCHOLASTIC LEAGUE UIL

First Name: Julie

Last Name: Jumes

Title: Student Advocate

Organization you are affiliated with:

City: Fredericksburg

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am extremely concerned that the UIL would drop the drug testing program.

Any Alternative or New Recommendations on This Agency:

I believe the drug testing program should be expanded, made effective and funded by increased entrance and participation fees payed by member schools and fans. The UIL should administer the testing, not member schools.

If the UIL encouraged member schools to welcome individual, passing, privately educated students, living within the school's tax district, to participate on member teams, in music/theater/academic groups and at UIL events, might our districts and the UIL gain valuable resources (time and money) currently invested in private leagues and schools? Might the difference be enough to fund the drug and other programs valuable to all students?

My Comment Will Be Made Public: I agree
