Agency: DEPARTMENT AGING AND DISABILITY SERVICES DADS

First Name: Kathy

Last Name: Pemberton

Title: Guardian of Sister, Doris Luckenbach

Organization you are affiliated with: Abilene State Supported Facility

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am the guardian of my sister, Doris Luckenbach, age 56, who is a resident of Abilene State Supported Center and has lived there for over forty years. This particular center has not been identified to be closed in the near term but there is no way I know if it will be one of the five targeted for 2022. They have taken excellent care of my sister all that time and I keep in close contact with them about her. I live out of town and visit her regularly. I believe she is not a good candidate for other living situations in the community and I request that you keep this center open for her and the other residents like her living there. To move her to anything else would be so detrimental to her health and welfare. I disagree with any recommendation that would close this center.

Any Alternative or New Recommendations on This Agency: Keep Abilene State Supported Living Center Open. I would disagree with any recommendation that would support closing this center.

My Comment Will Be Made Public: I agree
