Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I agree that the TSBSWE is not operating efficiently & effectively under HHSC. I support the creation of the BHEC and believe that the TSBSWE needs more funding to operate effectively. I oppose the classification of professional appointees on the BHEC as ex officio members without voting rights.

Any Alternative or New Recommendations on This Agency: I believe the BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.

My Comment Will Be Made Public: I agree
