Subject: Sunset review of TBPTE

Dear sir or Madam at Sunset commission of Texas,

My name is Parvin Kavehkar. I have been a licensed physical therapist in state of Texas since 1990 with a doctorate degree in Physical therapy from Boston University. Currently, I am practicing at an urgent care facility in Austin, providing physical therapy for the injured workers.

My opposition to the consolidation of the TBPTE into the TDLR is based on my appreciation for our current agency for doing a superb work in keeping the costs in lower rates, while assisting us in delivering a quality care for our patients throughout the years.

TBPTE, also has been providing a great support and education about The rules and laws in the state of Texas and emphasizing ethics in our profession for many years.

Retaining the TBPTE as an independent state agency for next 12 years will ensure maintaining all the qualities that are mentioned above.

The enclosed are my contact information if you may have any questions or concerns.

Parvin Kavehkar

Sincerely,

Parvin Kavehkar PT, DPT
