Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not burden veterinary practices with the burden of reporting each prescription for controlled substances. I have the experience of having hired people with previous drug abuse problems and have monitored them successfully with the current system. I have served on the TVMA committee overseeing drug and alcohol abuse. I feel the proposal will burden the veterinary practitioner and not improve the regulation of abusers. I am opposed to the suggestion to add more reporting. Thanks for your consideration feel free to call me with any questions. Kelley Kays,dvm

Any Alternative or New Recommendations on This Agency: Keep the regulations as they are.
