Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I want to show my support for the elimination of the Dog & Cat breeder Act and the Licensed Breeder program. This has shown to be an ineffective and unnecessary program. The licensed breeder program failed to meet expectations and the revenue did not cover the administrative cost as required by law.

Any Alternative or New Recommendations on This Agency: State law already makes animal cruelty a punishable offense, and this program duplicates USDA standards for breeding animals. I would suggest no new replacement for this program since there are already laws on the books.

My Comment Will Be Made Public: I agree
