Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Texas Department of Rules and Regulations-Cosmetology You need to leave the cosmetology industry alone. First of all you reduce hours from 1500 to 1000. What do you know about highlights, low lights, bleach retouch much less a relaxer. If you don't know the industry keep out. As far as getting rid of the instructor programs, have you lost your mind. Who is going to educate the cosmetologist.

Any Alternative or New Recommendations on This Agency: TDLR-Fight for our Cosmetologist it is a real profession, we make real money, we support ourselves and our families, we don't need you tearing down our profession. We need for you to stand up our profession and stop down grading us.
