Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please support the renewal of the Licensed Breeders Program – letting this expire will allow the puppy mill industry and illegal breeding to explode! This increases numbers of animals living in horrible conditions, and the numbers of animals on the streets and in public shelters. Please, please renew the Licensed Breeding Program! We have come a long way with our domestic animal laws please do not let it go backwards!

Any Alternative or New Recommendations on This Agency: enforce the breeders licensing program and monitor it - put some strength behind it and prosecute those that violate it!

My Comment Will Be Made Public: I agree
