Subject: SAC Report

To Whom It May Concern:

I am a licensed physical therapist in the State of Texas and have been for numerous years. I oppose position 3 on the recent SAC report and wish to have the TBPTE retain its current authority in regards to CCUs and PT competency. I believe that the standards and competency of physical therapists in this state are higher than many and we should maintain our current guidelines upheld by the TBPTE.

Thank you for your consideration in this matter.

Respectfully,

Joe Kleinkort, PT, MA, Ph.D., CEASII, CIE, DAAPM
