Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Wherein there is a continue surplus of homeless animals in public shelters which is a expense to municipal Texas tax payers, offering plenty of opportunities for adoption of dogs, to include puppies and frequently dogs of a wanted breed. Puppy mills are continually cited for inhumane conditions with regard to the breeding and confinement of dogs. Many of these dogs have congenital defects due to inbreeding. This law regarding puppy mills should not be allowed to expire.

Any Alternative or New Recommendations on This Agency: None
