Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed: I understand that the Sunset Commission is currently reviewing the ERS, and that there is no requirement  
for a State retiree to be appointed to the ERS Board of Trustees. As a state retiree, I feel that this is totally unfair!  
There are thousands of State retirees, and the policies implemented by the board can have a huge impact on our  
lives. There should be at least one board member who represents our interests.

Any Alternative or New Recommendations on This Agency: Please recommend to the legislature that the ERS  
Board of Trustees require inclusion of at least one state retiree.

My Comment Will Be Made Public: I agree
