Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed: Please keep TX State Board of Social workers intact separately.

Mental and behavioral health issues are vastly different from other regulatory occupations. This is why we get referrals from some of the other occupations. Think of your own family members and friends who need specialized care in times of crises. Thank You.

Any Alternative or New Recommendations on This Agency: Keep it in place, separately.

My Comment Will Be Made Public: I agree
