

Sunset Advisory Commission.

I would respectfully ask
you to keep the women settled
at the Fufkin State School, and
not transfer them to "group homes."

My granddaughter, Stephanie
Wheeler, age 35 June 24th of
this year, has not had good
experiences in group homes.
She is happy and settled in
Fufkin for the first time in many
years, and her parents, my son
Stephen Wheeler and her mother
Joy Wheeler are anxious for her
to stay at the Fufkin School.

Please consider our wishes
thoughtfully. Sincerely,

Carl Lueg
