Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Puppy mills have for years continued the barbaric treatment of mother dogs being bred repeatedly for one and only reason.

PROFIT. There seem to be no rules or standards about the treatment of these innocent animals so they are abused & neglected in their care. They need to be shut down. Secondly the overpopulation of dogs all over the US & internationally needs stopping. Millions are bred thru back yard breeders and puppy mills and shelters are full everyday. Rescues take a small proportion of dogs & but millions are euthanized. Tax payers pay for all dogs killed..

There are solutions to this tremendous problem by setting laws on SPAY & NEUTER as a necessity so streets are not covered with strays.Its the 20th century & big changes need making. First stop puppy mills.Their treatment would be considered a felony. Cruelty & abuse are now considered a FELONY.

Trump signed a bill this year.
