Thank you very much for providing a copy of the report for DPS and the agenda for the testimony. I have read the report and concur with the agency's formal response to you. Unfortunately I will be out of state and not be able to attend the hearing on May 23. Chairman Mach and I have discussed and he will be present at the hearing and will present the Commissions views. Thank you again for sharing report and the invitation to the hearing.

Dear Ms. Leon:

Attached is the Sunset Staff Report on the Department of Public Safety, as submitted to the Sunset Advisory Commission. The report is also available on our website, www.sunset.texas.gov. To request a hard copy of this report, contact our office. The Sunset Commission's public hearing on this report and your agency is scheduled for May 23 and 24, 2018. An agenda specifying the meeting date, time, location, and the order of agencies scheduled for testimony will be emailed to you as soon as the meeting has been posted.

The Sunset Commission would like the commission's position on the recommendations contained in the staff report. In addition, feel free to raise other issues and provide additional information you would like the Sunset Commission to consider. We are working with Director McCraw to coordinate a formal response from the agency. The response should be submitted to our office by Thursday, May 10, so the Sunset Commission members will have time to consider it before the public hearing. Any individual response you care to provide is always welcome, but not required. Comments received in response to a staff report are considered public records, and will be posted on the Sunset website and released to the public upon request.

The Sunset Commission encourages board members to attend the public hearings, and you are welcome to testify. Please contact me if you have any questions.
