Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the consolidation of the TBCE with the TLDR. The profession of chiropractic is very unique requiring a high level of knowledge along with technical skills. To lump the profession of chiropractic along with other professions requiring a lower level of knowledge and training would do a great injustice to the profession of chiropractic.

Any Alternative or New Recommendations on This Agency: Leave the TBCE as a separately functioning regulatory body.
