Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I disagree that the structure of BHEC, as proposed during the last Sunset Review, only have one public member, appointed by each board.

Any Alternative or New Recommendations on This Agency:

I recommend the structure of BHEC, as proposed during the last Sunset Review, *add one professional member appointed by each board*, in addition to the one public member appointed by each board, with the presiding officer appointed by the Governor.

We need a professional in a professional oversight role.

Thank you.
