Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Opposed to abolish Licensed Breeders Program

Any Alternative or New Recommendations on This Agency: Please keep the Licensed Breeders Program in place to deter countless acts of violent crime toward animals. We are only as worthy as how we respect all beings with whom we share this community. No benefit that comes from the suffering of animals is acceptable. Let us be the example by instilling dignity and compassion toward others for posterity. Thank you for your time.
